Budgeting for Sustainable Development Goals (SDGs) Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Effective budgeting for Sustainable Development Goals (SDGs) is a cornerstone for achieving inclusive growth, economic resilience, and global sustainability. As governments, NGOs, international organizations, and private sectors strive to align their financial planning with the 2030 Agenda, the demand for strategic budget allocation and innovative financing solutions has never been higher. Budgeting for Sustainable Development Goals (SDGs) Training Course provides cutting-edge skills in results-based budgeting, impact-driven financial planning, and SDG resource mobilization to enable participants to transform policy aspirations into measurable outcomes.

This course emphasizes practical approaches to public financial management, development finance strategies, and performance-based budgeting to ensure the effective integration of SDGs into national and organizational frameworks. Participants will gain hands-on experience in aligning budgets with sustainable development targets, tracking expenditures, and developing innovative tools to finance SDG priorities. By bridging policy, planning, and financial management, this program equips professionals to make budgeting a powerful lever for sustainable transformation.

Programme Curriculum

Budgeting for Sustainable Development Goals (SDGs) Training Course

Introduction

Effective budgeting for Sustainable Development Goals (SDGs) is a cornerstone for achieving inclusive growth, economic resilience, and global sustainability. As governments, NGOs, international organizations, and private sectors strive to align their financial planning with the 2030 Agenda, the demand for strategic budget allocation and innovative financing solutions has never been higher. Budgeting for Sustainable Development Goals (SDGs) Training Course provides cutting-edge skills in results-based budgeting, impact-driven financial planning, and SDG resource mobilization to enable

participants to transform policy aspirations into measurable outcomes.

This course emphasizes practical approaches to public financial management, development finance strategies, and performance-based budgeting to ensure the effective integration of SDGs into national and organizational frameworks. Participants will gain hands-on experience in aligning budgets with sustainable development targets, tracking expenditures, and developing innovative tools to finance SDG priorities. By bridging policy, planning, and financial management, this program equips professionals to make budgeting a powerful lever for sustainable transformation.

Course Objectives

1. Apply results-based budgeting techniques for SDG financing.
2. Align national budgets with SDG targets for sustainable growth.
3. Analyze fiscal policies and their impact on SDG achievement.
4. Implement performance-based financial management systems.
5. Utilize data-driven decision-making in budget allocation.
6. Enhance resource mobilization strategies for sustainable development.
7. Integrate climate finance and green budgeting into SDG frameworks.
8. Strengthen public-private partnerships (PPPs) for SDG financing.
9. Monitor and evaluate SDG budget performance indicators.
10. Address financing gaps through innovative funding mechanisms.
11. Build capacity in gender-responsive budgeting for inclusive SDGs.
12. Apply good governance and accountability in budget processes.
13. Develop strategic financial planning models for long-term sustainability.

Target Audiences

1. Government officials in finance and planning ministries
2. Policy makers and development planners
3. NGO leaders and program managers
4. International development agencies and donor representatives
5. Private sector leaders supporting SDG initiatives
6. Financial analysts and budget officers
7. Academics and researchers in development economics
8. Civil society organizations and advocacy groups

Course Duration: 5 days
