

Conflict Management and Grievance Handling in the Workplace Training Course

Professional Development Training Course Outline

Category	Cooperative Societies	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's dynamic and diverse workplace, conflict management and grievance handling have become indispensable skills for effective human resource management. Training Course on Conflict Management and Grievance Handling in the Workplace is designed to empower team leaders, HR professionals, supervisors, and managers with the tools and strategies to identify, mediate, and resolve workplace conflicts constructively. With the increase in remote work, cross-functional teams, and global collaboration, the ability to maintain a harmonious work environment is more critical than ever.

This course will guide participants through a structured approach to conflict resolution, employee relations, and dispute resolution frameworks. Through interactive learning, participants will explore grievance procedures, understand legal implications, and build competencies in emotional intelligence, communication, and mediation techniques. Backed by case studies and real-life scenarios, the course provides hands-on learning to ensure practical implementation of skills for positive workplace outcomes.

Programme Curriculum

Conflict Management and Grievance Handling in the Workplace Training Course

Introduction

In today's dynamic and diverse workplace, conflict management and grievance handling have become indispensable skills for effective human resource management. Conflict Management and Grievance Handling in the Workplace Training Course is designed to empower team leaders, HR professionals, supervisors, and managers with the tools and strategies to identify, mediate, and resolve workplace conflicts constructively. With the increase in remote work, cross-functional teams, and global collaboration, the ability to maintain a harmonious work environment is more critical than ever.

This course will guide participants through a structured approach to conflict resolution, employee relations, and dispute resolution frameworks. Through interactive learning, participants will explore grievance procedures, understand legal implications, and build competencies in emotional intelligence, communication, and mediation techniques. Backed by case studies and real-life scenarios, the course provides hands-on learning to ensure practical implementation of skills for positive workplace outcomes.

Course Objectives

By the end of this training, participants will be able to:

1. Understand the root causes of workplace conflict and apply preventive conflict strategies.
2. Develop advanced conflict resolution skills for team management.
3. Apply active listening and empathy techniques to de-escalate tension.
4. Implement structured grievance procedures effectively.
5. Use emotional intelligence in conflict resolution.
6. Identify and manage toxic behaviors and microaggressions.
7. Conduct fair and impartial internal investigations.
8. Mediate disputes using interest-based negotiation.
9. Align conflict management strategies with organizational culture.
10. Improve employee engagement through effective grievance handling.
11. Comply with labor laws and HR compliance standards.
12. Manage virtual workplace conflicts and hybrid team challenges.
13. Design and implement a conflict management policy framework.
