

Diversity, Equity, and Inclusion (DEI) in Cooperatives Training Course

Professional Development Training Course Outline

Category	Cooperative Societies	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Diversity, Equity, and Inclusion (DEI) have emerged as pivotal frameworks in shaping progressive and sustainable cooperative organizations. In today’s globalized and socially conscious environment, cooperatives that embed DEI practices into their operational and cultural fabric not only improve member participation and employee engagement but also position themselves as leaders in social responsibility and innovation. Training Course on Diversity, Equity, and Inclusion (DEI) in Cooperatives aims to build competency in DEI strategies, policies, and interventions within cooperative societies and credit unions.

By engaging with real-life case studies, collaborative activities, and evidence-based strategies, this training empowers cooperative leaders, HR professionals, and members to cultivate inclusive workspaces and decision-making structures. This course also addresses systemic inequalities and helps transform governance to reflect diverse member voices, fostering both organizational excellence and social impact.
