

Employee Self-Service and Manager Self-Service in ERP Training Course

Professional Development Training Course Outline

Category	Enterprise Resource Planning (ERP)	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's digital transformation era, organizations leverage ERP systems to enhance productivity, efficiency, and employee empowerment. The Employee Self-Service (ESS) and Manager Self-Service (MSS) modules revolutionize HR, payroll, and operational workflows by providing seamless, real-time data access, improved workforce automation, and enhanced employee engagement. Employee Self-Service and Manager Self-Service in ERP Training Course equips professionals with the skills to utilize ESS and MSS tools to streamline HR operations, reduce administrative workloads, and drive data-driven decision-making.

Through this comprehensive ERP training program, participants gain hands-on experience in managing employee records, approving workflows, and integrating performance management processes. Designed for HR professionals, managers, and IT support staff, this course bridges the gap between technology adoption and strategic workforce management, ensuring organizational agility, compliance, and process excellence.
