

Employment Contracts and Labour Protection Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

This intensive training course equips participants with practical skills in employment law compliance, contract management, workplace dispute resolution, employee engagement, occupational safety, diversity and inclusion, HR risk management, and modern labour protection strategies aligned with global best practices and emerging workplace trends such as ESG compliance, remote workforce governance, AI-driven HR systems, and employee wellbeing.

Employment Contracts and Labour Protection Training Course provides participants with a comprehensive understanding of employment relationships from recruitment to termination while addressing critical areas. Through practical case studies, legal simulations, real-world scenarios, and interactive workshops, participants will strengthen their capacity to develop legally compliant employment contracts, manage labour disputes proactively, reduce litigation risks, improve employee retention, and create resilient and inclusive workplaces that align with international labour standards and evolving employment trends.

Module 2: Labour Laws and Regulatory Compliance

- National and international labour law frameworks
- Employment standards and worker rights
- Wage regulations and working hours compliance
- Labour inspections and compliance audits
- Penalties for non-compliance
- **Case Study:** Review of an organization fined for labour law violations and corrective compliance measures.

Module 3: Workplace Policies and Employee Protection

- Anti-harassment and discrimination policies
- Employee wellbeing and mental health frameworks
- Occupational health and safety compliance
- Whistleblower protection systems
- Workplace ethics and code of conduct
- **Case Study:** Managing workplace harassment complaints through policy enforcement and investigations.

Module 4: Employee Relations and Conflict Resolution

- Grievance handling procedures
- Workplace mediation and negotiation skills
- Managing disciplinary procedures
- Industrial relations and union engagement
- Preventing workplace conflicts
- **Case Study:** Resolving a labour strike through collective bargaining and stakeholder engagement.

Module 5: Recruitment, Onboarding, and Workforce Governance

- Legally compliant recruitment practices
- Background checks and employee verification
- Probation management and onboarding compliance
- Digital recruitment and AI hiring ethics
- Employee documentation management
- **Case Study:** Addressing discrimination claims arising from biased recruitment processes.

Module 6: Termination, Redundancy, and Exit Management

- Lawful termination procedures
- Redundancy and restructuring compliance
- Exit interviews and separation management
- Handling unfair dismissal claims
- Post-employment obligations and restrictive covenants
- **Case Study:** Managing organizational restructuring while minimizing legal and reputational risks.

Module 7: Digital HR, Data Privacy, and Emerging Workplace Trends

- HR digital transformation strategies
- Employee data protection and privacy compliance
- Remote workforce governance

- AI and automation in HR management
- Cybersecurity considerations in employee records
- **Case Study:** Responding to employee data breaches and digital HR compliance failures.

Module 8: Strategic Labour Protection and Organizational Sustainability

- ESG and sustainable workforce management
- Diversity, equity, and inclusion initiatives
- Corporate social responsibility in labour practices
- Building resilient workforce protection systems
- Future trends in employment and labour regulation
- **Case Study:** Developing a sustainable labour protection strategy for a multinational organization.
