Fiscal Reform in Post-Conflict Economies Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Fiscal reform in post-conflict economies plays a vital role in promoting economic stability, governance accountability, and sustainable growth. Fiscal Reform in Post-Conflict Economies Training Course provides participants with comprehensive knowledge and practical strategies to design, implement, and monitor fiscal policies that address macroeconomic imbalances, rebuild institutions, and enhance public financial management in fragile states. With a strong focus on economic reconstruction, governance reforms, public sector accountability, and sustainable fiscal frameworks, this program empowers participants to create systems that foster resilience and long-term development.

Through a combination of global case studies, interactive discussions, and applied research insights, participants will learn how to strengthen revenue mobilization, prioritize expenditure, manage debt, and establish transparent financial systems in volatile environments. The training leverages evidence-based strategies, international best practices, and policy innovation to enable participants to contribute meaningfully to fiscal reforms that support peace, inclusivity, and socio-economic transformation.

Programme Curriculum

Fiscal Reform in Post-Conflict Economies Training Course

Introduction

Fiscal reform in post-conflict economies plays a vital role in promoting economic stability, governance accountability, and sustainable growth. Fiscal Reform in Post-Conflict Economies Training Course provides participants with comprehensive knowledge and practical strategies to design, implement, and monitor fiscal policies that address macroeconomic imbalances, rebuild institutions, and enhance public financial management in fragile states. With a strong focus on economic reconstruction, governance reforms, public sector accountability, and sustainable fiscal frameworks, this

program empowers participants to create systems that foster resilience and long-term development.

Through a combination of global case studies, interactive discussions, and applied research insights, participants will learn how to strengthen revenue mobilization, prioritize expenditure, manage debt, and establish transparent financial systems in volatile environments. The training leverages evidence-based strategies, international best practices, and policy innovation to enable participants to contribute meaningfully to fiscal reforms that support peace, inclusivity, and socio-economic transformation.

Course Objectives

1. Strengthen capacity in post-conflict fiscal policy design.
2. Enhance skills in public financial management (PFM) reforms.
3. Develop knowledge in domestic revenue mobilization strategies.
4. Apply debt management and fiscal sustainability frameworks.
5. Analyze approaches to budget formulation and expenditure prioritization.
6. Evaluate policies for inclusive economic reconstruction.
7. Implement governance and anti-corruption measures in fiscal reforms.
8. Use digital transformation tools in tax and PFM systems.
9. Strengthen donor coordination and aid effectiveness.
10. Integrate social protection policies into fiscal planning.
11. Assess macroeconomic stabilization measures in fragile contexts.
12. Enhance monitoring, evaluation, and fiscal transparency mechanisms.
13. Learn from global case studies in fiscal reform post-conflict.

Target Audience

1. Government policymakers and officials.
2. Public financial management professionals.
3. Economists and fiscal policy analysts.
4. Development and aid practitioners.
5. NGO and civil society leaders.
6. International financial institutions staff.
7. University researchers and think tank experts.
8. Post-conflict reconstruction advisors and consultants.

Course Duration: 5 days
