Gender and Justice Systems Training Course

Professional Development Training Course Outline

Category	Gender Studies	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Gender and Justice Systems Training Course is designed to provide a comprehensive understanding of how gender dynamics intersect with legal frameworks, justice institutions, and human rights practices. This course emphasizes gender equality, inclusive policy-making, legal reform, and access to justice, equipping participants with the knowledge to identify systemic biases and implement equitable strategies in justice systems. By examining both domestic and international case studies, learners will gain insights into challenges and innovations shaping gender-responsive legal environments.

Participants will explore critical areas such as gender-based violence, legal advocacy, judicial decision-making, policy implementation, and social accountability. This program fosters practical skills through interactive methodologies including case analyses, participatory workshops, role-playing simulations, and policy audits, ensuring that participants leave with actionable strategies to enhance justice delivery for all genders
