Health Reforms & Policy Training Course

Professional Development Training Course Outline

Category	Public Health	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Health systems across the globe are undergoing rapid transformation driven by Universal Health Coverage (UHC), digital health innovation, equity-driven financing models, and resilient healthcare systems strengthening. The need for effective Health Reforms & Policy Training has never been greater as governments and institutions respond to rising non-communicable diseases, pandemics, workforce shortages, and health financing gaps.

Health Reforms & Policy Training Course provides a comprehensive understanding of health governance, policy formulation, strategic health planning, health financing reforms, and implementation frameworks. It equips professionals with cutting-edge competencies in eHealth systems, primary healthcare strengthening, sustainable health financing, and global health policy alignment with SDGs (Sustainable Development Goals).

Programme Curriculum

Health Reforms & Policy Training Course

Introduction

Health systems across the globe are undergoing rapid transformation driven by Universal Health Coverage (UHC), digital health innovation, equity-driven financing models, and resilient healthcare systems strengthening. The need for effective Health Reforms & Policy Training has never been greater as governments and institutions respond to rising non-communicable diseases, pandemics, workforce shortages, and health financing gaps.

Health Reforms & Policy Training Course provides a comprehensive understanding of health governance, policy formulation, strategic health planning, health financing reforms, and implementation frameworks. It equips professionals with cutting-edge competencies in eHealth systems, primary healthcare strengthening, sustainable health financing, and global health policy alignment with SDGs (Sustainable Development Goals).
