Category	Public Financial Management & Budgeting	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Fiscal rules and governance frameworks are at the heart of sustainable economic management, ensuring that governments promote fiscal discipline, enhance transparency, and strengthen accountability. Introduction to Fiscal Rules and Governance Training Course equips participants with the essential knowledge and practical tools to design, implement, and evaluate fiscal rules that foster macroeconomic stability, debt sustainability, and effective budgetary frameworks. By integrating public financial management, fiscal policy reforms, and good governance principles, the program builds capacity to handle fiscal challenges in both emerging and developed economies.

This course emphasizes global best practices in fiscal frameworks, medium-term expenditure planning, and public sector accountability mechanisms. Participants will engage in real-world case studies, interactive discussions, and evidence-based policy analysis to strengthen institutional capacity and promote effective fiscal governance. By the end, participants will be empowered to make informed policy decisions, align fiscal rules with long-term development goals, and mitigate risks associated with fiscal mismanagement.
