

ISO 26000:2010 Social Responsibility Guidance Training Course

Professional Development Training Course Outline

Category	Quality Assurance and ISO standards	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's interconnected global marketplace, organizations are increasingly measured not only by financial performance but also by their social, environmental, and ethical impact. ISO 26000:2010 provides comprehensive guidance on integrating social responsibility into organizational values, strategies, and day-to-day operations. By adopting these guidelines, businesses and institutions can strengthen stakeholder trust, improve long-term sustainability, and contribute meaningfully to the achievement of global sustainable development goals.

ISO 26000:2010 Social Responsibility Guidance Training Course is designed to help professionals, leaders, and organizations understand, implement, and promote social responsibility practices aligned with ISO 26000:2010. It focuses on key areas such as stakeholder engagement, ethical governance, environmental stewardship, human rights, community involvement, fair operating practices, and sustainable development strategies. Participants will gain practical insights, case studies, and tools to foster organizational accountability, transparency, and global competitiveness.

Programme Curriculum

ISO 26000:2010 Social Responsibility Guidance Training Course

Introduction

In today's interconnected global marketplace, organizations are increasingly measured not only by financial performance but also by their social, environmental, and ethical impact. ISO 26000:2010 provides comprehensive guidance on integrating social responsibility into organizational values, strategies, and day-to-day operations. By adopting these guidelines, businesses and institutions can strengthen stakeholder trust, improve long-term sustainability, and contribute meaningfully to the achievement of global sustainable

development goals.

ISO 26000:2010 Social Responsibility Guidance Training Course is designed to help professionals, leaders, and organizations understand, implement, and promote social responsibility practices aligned with ISO 26000:2010. It focuses on key areas such as stakeholder engagement, ethical governance, environmental stewardship, human rights, community involvement, fair operating practices, and sustainable development strategies. Participants will gain practical insights, case studies, and tools to foster organizational accountability, transparency, and global competitiveness.

Course Objectives

1. Understand the fundamental principles of ISO 26000:2010 social responsibility.
2. Explore the scope and framework of sustainable development practices.
3. Enhance knowledge of stakeholder engagement and communication strategies.
4. Apply effective corporate governance and ethical leadership approaches.
5. Promote environmental sustainability and eco-friendly practices.
6. Recognize human rights obligations in global organizational contexts.
7. Strengthen community involvement and development initiatives.
8. Implement fair labor and workplace practices across industries.
9. Address supply chain responsibility and sustainable procurement.
10. Integrate transparency and accountability into business operations.
11. Evaluate corporate performance using social responsibility indicators.
12. Develop social responsibility reporting and disclosure systems.
13. Foster a culture of continuous improvement in sustainable practices.

Organizational Benefits

1. Enhanced organizational reputation and global credibility.
2. Stronger stakeholder trust and long-term partnerships.
3. Improved compliance with international sustainability standards.
4. Increased employee engagement and workplace satisfaction.
5. Reduced environmental footprint and resource efficiency.
6. Competitive advantage in socially responsible markets.
7. Improved risk management and business resilience.
8. Stronger community relationships and positive social impact.
9. Alignment with global sustainability and ESG frameworks.
10. Contribution to the United Nations Sustainable Development Goals.

Target Audiences

1. Corporate leaders and executives.
2. Sustainability managers and officers.
3. Corporate social responsibility (CSR) professionals.
4. Government policymakers and regulators.
5. Non-governmental organizations and advocacy groups.
6. Academic institutions and researchers.
7. Supply chain and procurement managers.
8. Environmental and social consultants.

Course Duration: 5 days
