Livelihood Programming for Refugees Training Course

Professional Development Training Course Outline

Category	Migration and Refugee	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Livelihood Programming for Refugees is a comprehensive training course designed to equip humanitarian professionals, NGO staff, and community organizers with practical knowledge and skills to enhance refugee self-reliance and economic empowerment. Livelihood Programming for Refugees Training Course emphasizes strategic planning, innovative interventions, and sustainable livelihood solutions tailored to refugee populations in diverse socio-economic contexts. Participants will gain insights into international standards, policy frameworks, and evidence-based practices that ensure effective livelihood programming and measurable impact.

The training blends theoretical foundations with practical applications, enabling participants to design, implement, and evaluate livelihood programs that address both immediate needs and long-term resilience. By leveraging sector-specific tools, case studies, and participatory approaches, trainees will develop the capacity to foster economic opportunities, strengthen community structures, and support refugees in achieving sustainable livelihoods. This course is essential for those committed to promoting inclusion, equity, and social protection in humanitarian contexts.

Programme Curriculum

Livelihood Programming for Refugees Training Course

Introduction

Livelihood Programming for Refugees is a comprehensive training course designed to equip humanitarian professionals, NGO staff, and community organizers with practical knowledge and skills to enhance refugee self-reliance and economic empowerment. Livelihood Programming for Refugees Training Course emphasizes strategic planning, innovative interventions, and sustainable livelihood solutions tailored to refugee populations in diverse socio-economic contexts. Participants will gain insights into international standards, policy

frameworks, and evidence-based practices that ensure effective livelihood programming and measurable impact.

The training blends theoretical foundations with practical applications, enabling participants to design, implement, and evaluate livelihood programs that address both immediate needs and long-term resilience. By leveraging sector-specific tools, case studies, and participatory approaches, trainees will develop the capacity to foster economic opportunities, strengthen community structures, and support refugees in achieving sustainable livelihoods. This course is essential for those committed to promoting inclusion, equity, and social protection in humanitarian contexts.

Course Objectives

1. Understand global refugee livelihood frameworks and international protection standards.
2. Analyze socio-economic challenges and opportunities for refugee populations.
3. Design inclusive livelihood interventions that promote self-reliance.
4. Integrate market assessment tools to inform program planning.
5. Develop business and entrepreneurial skills for refugee contexts.
6. Apply monitoring and evaluation frameworks for livelihood programs.
7. Utilize participatory approaches to engage refugee communities.
8. Implement vocational training programs aligned with market demand.
9. Foster partnerships with local stakeholders and private sector actors.
10. Ensure gender-sensitive and youth-inclusive livelihood programming.
11. Address psychosocial factors affecting refugee economic participation.
12. Leverage technology and digital tools for livelihood initiatives.
13. Strengthen organizational capacity for sustainable program delivery.
