

Media-Handling and Spokesperson Training for Crises Training Course

Professional Development Training Course Outline

Category	Risk Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Media-Handling and Spokesperson Training for Crises Training Course is strategically designed for the modern era of Hyper-Transparency and Digital Velocity. In an environment where information or Misinformation spreads instantly via Social Media and the 24/7 news cycle, an organization's initial response dictates its long-term Reputational Resilience. This training moves beyond traditional public relations to focus on the Psychology of Crisis, equipping participants with the Non-Verbal Communication mastery and Message Discipline required to effectively control the Narrative under extreme pressure.

We provide an Immersive, High-Fidelity Simulation environment that mirrors real-world media scrums, hostile interviews, and the volatile dynamics of Stakeholder Engagement on digital platforms. The curriculum emphasizes a Proactive Strategy including detailed Issues Mapping and the development of robust Pre-Approved Messaging to ensure a swift, Empathetic, and consistent response. Successful completion will certify spokespersons capable of demonstrating Trust and Credibility, transforming a potential disaster into a demonstration of effective organizational leadership and Accountability.
