

Performance Management in Microfinance Staff Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Performance Management in Microfinance Staff Training Course equips participants with the knowledge and skills to develop and implement effective performance management systems in microfinance institutions (MFIs). Proper performance management ensures staff accountability, enhances productivity, and aligns individual performance with organizational goals. This course emphasizes goal-setting, performance appraisal, feedback mechanisms, and staff development strategies to drive operational excellence.

Participants will engage in interactive workshops, practical exercises, and case studies to design and implement performance management frameworks. By the end of the course, participants will be able to establish performance metrics, conduct appraisals, provide constructive feedback, and implement strategies to continuously improve staff performance and organizational outcomes.

Programme Curriculum

Performance Management in Microfinance Staff Training Course

Introduction

Performance Management in Microfinance Staff Training Course equips participants with the knowledge and skills to develop and implement effective performance management systems in microfinance institutions (MFIs). Proper performance management ensures staff accountability, enhances productivity, and aligns individual performance with organizational goals. This course emphasizes goal-setting, performance appraisal, feedback mechanisms, and staff development strategies to drive operational excellence.

Participants will engage in interactive workshops, practical exercises, and case studies to design and implement performance management frameworks. By the end of the course, participants will be able to

establish performance metrics, conduct appraisals, provide constructive feedback, and implement strategies to continuously improve staff performance and organizational outcomes.

Course Objectives
