PPP Procurement Law Training Course

Professional Development Training Course Outline

Category	General Training	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Public-Private Partnerships Procurement Law Training Course provides comprehensive knowledge and practical skills for professionals responsible for public procurement, infrastructure development, contract management, legal compliance, and Public-Private Partnerships transactions. The course examines procurement legislation, regulatory frameworks, competitive bidding, tender evaluation, procurement planning, concession agreements, risk allocation, transparency, accountability, dispute resolution, and ethical procurement practices. Participants will explore how modern Public-Private Partnerships procurement laws support value for money, market competition, fiscal responsibility, sustainable infrastructure investment, and efficient delivery of public services.

The course also develops practical capabilities for interpreting procurement legislation and applying legal principles throughout the Public-Private Partnerships project lifecycle. Participants will examine international procurement standards, procurement challenges, bid evaluation procedures, contract award mechanisms, unsolicited proposals, public consultations, procurement disputes, and legal remedies. Through practical exercises and global case studies, participants will strengthen their ability to identify legal risks, improve procurement governance, protect public interests, and design transparent and commercially sound Public-Private Partnerships procurement processes.

Programme Curriculum

Public-Private Partnerships Procurement Law Training Course

Introduction

Public-Private Partnerships Procurement Law Training Course provides comprehensive knowledge and practical skills for professionals responsible for public procurement, infrastructure development, contract management, legal compliance, and Public-Private Partnerships transactions. The course examines procurement legislation, regulatory frameworks, competitive bidding, tender evaluation, procurement planning,

concession agreements, risk allocation, transparency, accountability, dispute resolution, and ethical procurement practices. Participants will explore how modern Public-Private Partnerships procurement laws support value for money, market competition, fiscal responsibility, sustainable infrastructure investment, and efficient delivery of public services.

The course also develops practical capabilities for interpreting procurement legislation and applying legal principles throughout the Public-Private Partnerships project lifecycle. Participants will examine international procurement standards, procurement challenges, bid evaluation procedures, contract award mechanisms, unsolicited proposals, public consultations, procurement disputes, and legal remedies. Through practical exercises and global case studies, participants will strengthen their ability to identify legal risks, improve procurement governance, protect public interests, and design transparent and commercially sound Public-Private Partnerships procurement processes.

Course Objectives

By the end of the course, participants will be able to:

1. Understand Public-Private Partnerships procurement laws and regulatory frameworks.
2. Apply strategic procurement planning and compliance principles.
3. Interpret legislation governing Public-Private Partnerships transactions.
4. Develop transparent and competitive procurement processes.
5. Conduct legally compliant tender evaluation and selection.
6. Strengthen procurement governance, accountability, and transparency.
7. Identify contractual, regulatory, and procurement risks.
8. Apply international procurement standards and best practices.
9. Manage unsolicited proposals and competitive dialogue procedures.
10. Evaluate procurement disputes and available legal remedies.
11. Integrate anti-corruption and ethical procurement safeguards.
12. Improve value-for-money assessment and procurement outcomes.
13. Strengthen institutional capacity for legally sound Public-Private Partnerships procurement.
