

Press Releases for Evaluation News Training Course

Professional Development Training Course Outline

Category	Monitoring and Evaluation	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's fast-paced information landscape, effectively communicating evaluation results is critical for influencing policy, informing stakeholders, and driving evidence-based decision-making. Press Releases for Evaluation News Training Course equips professionals with advanced skills in crafting compelling, concise, and accurate press releases that capture attention and convey key insights. Leveraging trending communication strategies, media engagement techniques, and storytelling approaches, this course ensures evaluation findings are not only disseminated widely but also drive actionable impact.

Participants will gain hands-on experience in transforming complex evaluation data into accessible news stories, mastering media-friendly language, and strategically targeting audiences for maximum reach. The course emphasizes ethical communication, credibility, and alignment with organizational goals, ensuring press releases serve as powerful tools for transparency, accountability, and advocacy in the monitoring and evaluation (M&E) sector.
