

Revenue Recognition (IFRS 15) Training Course

Professional Development Training Course Outline

Category	ACCOUNTING & FINANCE	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Revenue recognition remains one of the most critical and complex areas in financial reporting, especially under IFRS 15. Revenue Recognition (IFRS 15) Training Course is designed to equip professionals with practical knowledge and globally aligned expertise in applying IFRS 15 standards across various industries. Participants will gain a deep understanding of the five-step revenue recognition model, contract analysis, performance obligations, and transaction price allocation, all while aligning with global accounting compliance frameworks and audit expectations.

In today's evolving financial environment, organizations require accurate, transparent, and compliant revenue reporting to maintain investor confidence and regulatory approval. This course integrates real-world case studies, advanced financial reporting techniques, and industry best practices to enhance decision-making, reduce compliance risks, and improve financial statement accuracy. It is ideal for professionals seeking to strengthen their expertise in financial reporting, audit readiness, and revenue optimization strategies.
