

Shop Steward Negotiation Skills Training Course

Professional Development Training Course Outline

Category	Trade Unions	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's rapidly evolving industrial relations environment, Shop Stewards play a critical role in maintaining workplace harmony, protecting employee rights, and driving effective collective bargaining outcomes. Shop Steward Negotiation Skills Training Course is designed to equip participants with advanced labor negotiation strategies, conflict resolution techniques, grievance handling skills, and employment law awareness. The program strengthens the ability of shop stewards to confidently represent workers, engage management constructively, and achieve win-win labor relations outcomes in unionized and non-unionized workplaces.

With increasing workplace disputes, rising employee expectations, and dynamic labor laws, there is a strong demand for high-impact negotiation, emotional intelligence in labor relations, strategic communication, and dispute resolution mastery. This course integrates practical simulations, real-world case studies, and role-playing exercises to ensure shop stewards develop persuasive negotiation power, leadership confidence, and industrial relations expertise. Participants will learn how to navigate complex workplace conflicts while ensuring compliance, fairness, and productivity.
