

Social Media Management Training Course

Professional Development Training Course Outline

Category	General Training	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's digital-first economy, Social Media Management has become a core driver of brand growth, audience engagement, and revenue generation. Businesses across industries rely on platforms like Facebook, Instagram, TikTok, LinkedIn, X (Twitter), and YouTube to build visibility, generate leads, and create viral brand awareness. Social Media Management Training Course is designed to equip learners with cutting-edge skills in content strategy, influencer marketing, paid ads, analytics, and community building using the latest AI-powered tools and platform algorithms.

This program delivers hands-on expertise in social media optimization (SMO), content creation, digital storytelling, performance marketing, and social listening strategies. Participants will learn how to design high-converting campaigns, grow organic reach, and leverage data-driven insights for maximum ROI. By the end of the course, learners will be able to manage professional accounts, execute viral campaigns, and implement advanced social media monetization strategies aligned with global industry standards.
