Strategic Library Leadership Training Course

Professional Development Training Course Outline

Category	Library Institute	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

Strategic Library Leadership Training Course equips library professionals with advanced leadership, governance, innovation, digital transformation, organizational development, knowledge management, evidence-based decision-making, stakeholder engagement, change management, and strategic planning competencies required to lead modern libraries. As libraries evolve into dynamic knowledge hubs supporting education, research, digital literacy, innovation, and community development, leaders must adopt sustainable strategies that enhance service excellence, institutional resilience, technological integration, and organizational performance while aligning with national and global information management priorities.

The course provides practical approaches to strategic leadership, digital library management, policy development, financial sustainability, workforce development, customer experience, risk management, project leadership, and performance measurement. Participants will gain the skills needed to lead high-performing library institutions, implement innovative services, strengthen organizational governance, foster collaboration, and position libraries as strategic partners in knowledge creation, lifelong learning, and sustainable development.
