The IMF's Fiscal Transparency Code Training Course

Professional Development Training Course Outline

Category	Public Financial Management & Budgeting	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

The IMF?ÇÖs Fiscal Transparency Code Training Course is designed to equip policymakers, financial managers, auditors, and governance professionals with the knowledge and skills to implement global best practices in fiscal transparency, accountability, and good governance. By aligning with the IMF?ÇÖs Fiscal Transparency Code, participants will learn how to strengthen budget credibility, public financial management (PFM), fiscal reporting, and risk analysis to ensure improved fiscal discipline, inclusive growth, and sustainable development.

This course emphasizes international fiscal standards, transparency benchmarks, fiscal disclosure practices, and governance reforms that build public trust. Through interactive modules, real-world case studies, and applied learning, participants will explore strategies for enhancing fiscal sustainability, budget execution, public resource management, intergovernmental transfers, fiscal risks assessment, and open government initiatives.

Programme Curriculum

The IMF's Fiscal Transparency Code Training Course

Introduction

The IMF?ÇÖs Fiscal Transparency Code Training Course is designed to equip policymakers, financial managers, auditors, and governance professionals with the knowledge and skills to implement global best practices in fiscal transparency, accountability, and good governance. By aligning with the IMF?ÇÖs Fiscal Transparency Code, participants will learn how to strengthen budget credibility, public financial management (PFM), fiscal reporting, and risk analysis to ensure improved fiscal discipline, inclusive growth, and sustainable

development.

This course emphasizes international fiscal standards, transparency benchmarks, fiscal disclosure practices, and governance reforms that build public trust. Through interactive modules, real-world case studies, and applied learning, participants will explore strategies for enhancing fiscal sustainability, budget execution, public resource management, intergovernmental transfers, fiscal risks assessment, and open government initiatives.
