

Training & Coaching Microfinance Field Staff Training Course

Professional Development Training Course Outline

Category	Microfinance & Financial Inclusion	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Training & Coaching Microfinance Field Staff Training Course equips participants with the skills and knowledge to effectively train, mentor, and coach field staff in microfinance institutions (MFIs). Well-trained field staff enhance client engagement, operational efficiency, and overall program impact. This course emphasizes adult learning principles, coaching techniques, training design, and performance monitoring to ensure field staff are competent and confident in delivering financial inclusion services.

Through interactive workshops, practical exercises, and case studies, participants will develop coaching and training strategies tailored to field staff needs. By the end of the course, participants will be able to design training programs, deliver effective coaching, monitor field performance, and build the capacity of staff to achieve organizational and program objectives.

Programme Curriculum

Training & Coaching Microfinance Field Staff Training Course

Introduction

Training & Coaching Microfinance Field Staff Training Course equips participants with the skills and knowledge to effectively train, mentor, and coach field staff in microfinance institutions (MFIs). Well-trained field staff enhance client engagement, operational efficiency, and overall program impact. This course emphasizes adult learning principles, coaching techniques, training design, and performance monitoring to ensure field staff are competent and confident in delivering financial inclusion services.

Through interactive workshops, practical exercises, and case studies, participants will develop coaching and training strategies tailored to field staff needs. By the end of the course, participants will be able to design training programs, deliver effective coaching, monitor field performance, and build the capacity of staff to

achieve organizational and program objectives.
