

Training Course on Advanced Key Account Management (Public Sales)

Professional Development Training Course Outline

Category	General Training	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s competitive public sector landscape, mastering the art of *Key Account Management (KAM)* has become a necessity, not a luxury. Training Course on Advanced Key Account Management (Public Sales) is tailored specifically for public sales professionals who manage high-value, strategic accounts in government and public sector environments. The course equips participants with high-impact strategies and *relationship-building skills* to improve account penetration, drive long-term loyalty, and deliver measurable growth across complex public procurement channels.

By using *data-driven sales methodologies*, *public procurement compliance tactics*, and advanced *customer success frameworks*, this program will help participants to elevate their key account performance. Participants will learn how to navigate public sector decision-making processes, create actionable account development plans, and adopt cutting-edge digital selling techniques to enhance public sales engagement. From stakeholder mapping to revenue forecasting, every tool and framework introduced is designed for immediate application in real-world public sales settings.

Programme Curriculum

Training Course on Advanced Key Account Management (Public Sales)

Introduction

In today’s competitive public sector landscape, mastering the art of *Key Account Management (KAM)* has become a necessity, not a luxury. Training Course on Advanced Key Account Management (Public Sales) is tailored specifically for public sales professionals who manage high-value, strategic accounts in government and public sector environments. The course equips

participants with high-impact strategies and *relationship-building skills* to improve account penetration, drive long-term loyalty, and deliver measurable growth across complex public procurement channels.

By using *data-driven sales methodologies*, *public procurement compliance tactics*, and advanced *customer success frameworks*, this program will help participants to elevate their key account performance. Participants will learn how to navigate public sector decision-making processes, create actionable account development plans, and adopt cutting-edge digital selling techniques to enhance public sales engagement. From stakeholder mapping to revenue forecasting, every tool and framework introduced is designed for immediate application in real-world public sales settings.
