

Training Course on Leveraging Social Media for School-Community Relations

Professional Development Training Course Outline

Category	Educational Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s digital era, leveraging social media for school-community relations is not just an option—it’s a strategic necessity. Schools must actively engage with parents, students, alumni, and the wider community using platforms like Facebook, X (Twitter), Instagram, LinkedIn, TikTok, and YouTube. Effective social media use builds brand visibility, fosters transparent communication, strengthens stakeholder trust, and enhances community collaboration. Training Course on Leveraging Social Media for School-Community Relations equips school leaders, educators, and communication teams with the tools and insights to develop a powerful social media strategy that cultivates strong, sustainable relationships with their community.

This comprehensive social media training for education stakeholders emphasizes real-world case studies, best practices, and cutting-edge tools to maximize engagement, address challenges, and measure impact. Participants will learn to navigate digital platforms, create SEO-friendly educational content, manage school reputation online, and build a vibrant, supportive school community in the digital space.
