

Training Course on Negotiation and Conflict Management in Organisations

Professional Development Training Course Outline

Category	Development	Duration	10 Days
Base Fee	\$3,000 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today’s dynamic and diverse workplace environments, conflict is inevitable. Whether it’s interpersonal tensions, strategic disagreements, or cultural misunderstandings, unresolved disputes can severely impact organizational performance, employee morale, and stakeholder trust. Training Course on Negotiation and Conflict Management in Organisations training course empowers professionals with essential strategies, communication techniques, and leadership tools to resolve conflicts constructively and achieve win-win outcomes. Through real-world case studies, practical simulations, and interactive learning, this program enhances decision-making, strengthens team collaboration, and fosters a culture of transparency and resilience.

As workplace relationships evolve and organizational structures become more complex, mastering negotiation and conflict resolution is no longer optional—it’s a leadership imperative. This course is tailored for managers, team leads, HR professionals, and future leaders who aim to develop high-impact skills in negotiation psychology, emotional intelligence, interest-based bargaining, and conflict transformation. With insights from behavioral science, legal frameworks, and organizational development, this program positions participants at the forefront of effective communication and strategic negotiation in the modern business landscape.

Programme Curriculum

Training Course on Negotiation and Conflict Management in Organisations

Introduction

In today’s dynamic and diverse workplace environments, conflict is inevitable. Whether it’s interpersonal tensions, strategic disagreements, or cultural misunderstandings, unresolved disputes can severely impact organizational performance, employee morale, and stakeholder trust. Training Course on Negotiation and Conflict Management in

Organisations training course empowers professionals with essential strategies, communication techniques, and leadership tools to resolve conflicts constructively and achieve win-win outcomes. Through real-world case studies, practical simulations, and interactive learning, this program enhances decision-making, strengthens team collaboration, and fosters a culture of transparency and resilience.

As workplace relationships evolve and organizational structures become more complex, mastering negotiation and conflict resolution is no longer optional—it's a leadership imperative. This course is tailored for managers, team leads, HR professionals, and future leaders who aim to develop high-impact skills in negotiation psychology, emotional intelligence, interest-based bargaining, and conflict transformation. With insights from behavioral science, legal frameworks, and organizational development, this program positions participants at the forefront of effective communication and strategic negotiation in the modern business landscape.
