

Training Course on Servant Leadership

Professional Development Training Course Outline

Category	Leadership and Management	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

Servant leadership is a transformative approach that prioritizes the growth and well-being of team members, fostering a culture of trust, collaboration, and empowerment. This philosophy shifts the traditional leadership paradigm, placing the needs of others at the forefront. By actively listening, empathizing, and supporting their teams, servant leaders cultivate stronger relationships, enhance individual potential, and ultimately drive organizational success. This course provides a comprehensive understanding of the core principles and practical application of servant leadership, equipping participants with the skills and mindset to lead with humility and create a positive and productive work environment. Participants will explore key concepts such as **empathy, listening, healing, awareness, persuasion, conceptualization, foresight, stewardship, commitment to the growth of people, and building community**, learning how to integrate these into their daily leadership practices.

This training program is designed to empower individuals at all levels to embrace the servant leadership model. Through interactive sessions, practical exercises, and real-world case studies, participants will gain actionable strategies to inspire and motivate their teams. By focusing on the development of their team members, servant leaders witness increased **employee engagement**, improved **team performance**, enhanced **innovation**, and greater **organizational citizenship**. The course emphasizes the importance of creating a **values-driven culture** where individuals feel valued, respected, and supported, leading to higher levels of **job satisfaction** and reduced **employee turnover**. Mastering servant leadership principles is not just about leading effectively; it's about building a sustainable and thriving organization where everyone can reach their full potential.

Programme Curriculum

Training Course on Servant Leadership

Introduction

Servant leadership is a transformative approach that prioritizes the growth and well-being of team members, fostering a culture of trust, collaboration, and empowerment. This philosophy shifts the traditional leadership paradigm, placing the needs of others at the forefront. By actively listening, empathizing, and supporting their teams, servant leaders cultivate stronger relationships, enhance individual potential, and ultimately drive organizational success. This course provides a comprehensive understanding of the core principles and practical application of servant leadership, equipping participants with the skills and mindset to lead with humility and create a positive and productive work environment. Participants will explore key concepts such as **empathy, listening, healing, awareness, persuasion, conceptualization, foresight, stewardship, commitment to the growth of people**, and **building community**, learning how to integrate these into their daily leadership practices.

This training program is designed to empower individuals at all levels to embrace the servant leadership model. Through interactive sessions, practical exercises, and real-world case studies, participants will gain actionable strategies to inspire and motivate their teams. By focusing on the development of their team members, servant leaders witness increased **employee engagement**, improved **team performance**, enhanced **innovation**, and greater **organizational citizenship**. The course emphasizes the importance of creating a **values-driven culture** where individuals feel valued, respected, and supported, leading to higher levels of **job satisfaction** and reduced **employee turnover**. Mastering servant leadership principles is not just about leading effectively; it's about building a sustainable and thriving organization where everyone can reach their full potential.

Course Duration

5 days

Course Objectives

1. Understand the fundamental principles of **servant leadership** and its historical context.
2. Develop active **listening skills** to effectively understand the needs and perspectives of team members.
3. Cultivate **empathy** to build stronger connections and foster a supportive work environment.
4. Learn techniques for **healing** and resolving conflicts within teams constructively.
5. Enhance **self-awareness** to recognize personal biases and their impact on leadership.
6. Master the art of **persuasion** through influence rather than authority.
7. Develop **conceptualization** skills to articulate a clear vision and strategic direction.
8. Improve **foresight** to anticipate future challenges and opportunities.
9. Embrace the role of **stewardship** in managing resources and responsibilities ethically.
10. Demonstrate a strong **commitment to the growth of people** through coaching and mentorship.
