Training Course on Visionary Leadership for 21st-Century Schools

Professional Development Training Course Outline

Category	Educational Leadership and Management	**Duration**	5 Days
Base Fee	$1,500 USD	**Delivery Mode**	Online / On-site Hybrid

Course Introduction

The educational landscape of the 21st century demands visionary leadership equipped to navigate digital transformation, innovation, equity, and global competencies. Training Course on Visionary Leadership for 21st-Century Schools empowers school leaders with future-ready strategies, transformational leadership skills, and data-driven decision-making tools to foster inclusive, resilient, and high-performing learning environments. Participants will explore cutting-edge models of school leadership that align with the UN Sustainable Development Goals (SDGs), digital equity, personalized learning, and stakeholder engagement.

Through real-world case studies, collaborative exercises, and strategic planning tools, the course aims to transform participants into change-makers, capable of inspiring both educators and learners. This immersive program aligns with 21st-century learning goals, including digital citizenship, emotional intelligence, innovation mindset, and distributed leadership—equipping school leaders to thrive in an era of constant change and complexity.
