

Training Programme for Executive Assistants

Professional Development Training Course Outline

Category	General Training	Duration	5 Days
Base Fee	\$1,500 USD	Delivery Mode	Online / On-site Hybrid

Course Introduction

In today's fast-paced, digital-first business environment, executive assistants are no longer just support staff—they are strategic partners who influence productivity, decision-making, and organizational success. Training Programme for Executive Assistants is an intensive, hands-on training designed to empower EAs with essential skills in leadership, communication, project management, and technology integration. This program will transform seasoned professionals and aspiring executive assistants into confident, competent, and indispensable assets to their organizations.

With a curriculum grounded in real-world executive support, this program equips participants with the tools to master time management, drive digital transformation, improve stakeholder communication, and manage high-level tasks with poise and precision. Stay ahead of evolving job roles and expectations by building proficiency in AI tools, cloud collaboration platforms, corporate protocol, and executive-level confidentiality.

Training Methodology

1. Learning Objectives-Based Design – The course is designed to enhance communication, organization, leadership, and tech-savviness in executive support roles.
2. Blended Learning Approach – Combines live workshops, online modules, and practical tasks for flexible learning.
3. Interactive Lectures and Discussions – Facilitators lead sessions on topics like time management and executive communication, with open discussions for clarity.
4. Simulations and Role-Playing – Real-life office scenarios are simulated to build confidence in decision-making and problem-solving.
5. Soft Skills Development Workshops – Focused sessions enhance professionalism, emotional intelligence, and conflict resolution.
6. Technology Training – Hands-on training with productivity tools (e.g., MS Office, scheduling software, digital communication platforms).
7. Group Activities and Peer Sharing – Team exercises and idea exchanges encourage collaboration and shared learning.
8. Evaluation and Feedback – Includes assessments, feedback forms, and personal action plans to track development.
9. Mentoring and Guest Talks – Industry professionals share success tips and offer mentorship opportunities.
10. Certification and Continuing Development – Participants receive certificates and access to resources for ongoing growth.
