| **Category** | Trade Unions | **Duration** | 10 Days |
| **Base Fee** | $3,000 USD | **Delivery Mode** | Online / On-site Hybrid |

## Course Introduction

Worker Mobilization and Engagement Training Course is designed to strengthen community-driven development, labor participation, and inclusive workforce engagement systems. In today’s rapidly evolving world of digital transformation, ESG compliance, social impact frameworks, and participatory governance, organizations must adopt structured approaches to mobilize workers effectively, build trust, and enhance productivity through meaningful engagement.

This training course equips participants with advanced skills in stakeholder mapping, behavioral change communication (BCC), grassroots mobilization, digital engagement tools, and participatory planning methodologies. It emphasizes sustainable workforce activation, improved labor relations, and high-impact community engagement strategies aligned with global standards such as SDGs, ESG reporting, and human-centered development models

## Programme Curriculum

**Worker Mobilization and Engagement Training Course**

**Introduction**

Worker Mobilization and Engagement Training Course is designed to strengthen community-driven development, labor participation, and inclusive workforce engagement systems. In today’s rapidly evolving world of digital transformation, ESG compliance, social impact frameworks, and participatory governance, organizations must adopt structured approaches to mobilize workers effectively, build trust, and enhance productivity through meaningful engagement.

This training course equips participants with advanced skills in stakeholder mapping, behavioral change communication (BCC), grassroots mobilization, digital engagement tools, and participatory planning

methodologies. It emphasizes sustainable workforce activation, improved labor relations, and high-impact community engagement strategies aligned with global standards such as SDGs, ESG reporting, and human-centered development models.
